Color Printer Needed for CHCS

A few years ago, one of the area churches purchased a new color printer and donated their used one to CHCS. The maintenance contract on it had expired but it still worked reasonably well and all we had to do was put ink in it. It was a great advantage to us to be able to design and print our own brochures and other promotional materials. The more professional looking items help to present CHCS in a positive light to the public.

Last week, that donated color printer "bit the dust". Of course, the cost to fix it is more than the purchase of a new one. We have decided that we really do need to have a printer of this sort. We are putting out more and more materials that will benefit CHCS and they really need to be good quality. We have selected the printer that will best meet our needs-it will cost \$450.00. This is not part of our budget. We have received a gift of \$125.00 towards this purchase. If you would like to help CHCS with this need, it would be greatly appreciated. Please be sure to indicate

"gift for printer" on your check.

Thank you.

Spirit Week

This week has been Spirit Week at CHCS. Each day there has been a different theme and those were:

- Monday: Pajama Day
- Tuesday: College Fan Day
- Wednesday: Nerd Day
- Thursday: Mis-match day
- Friday: Red, White & Blue Day

Class participation has been phenomenal. Whichever class wins will get the Spirit Stick, class pride for capturing such an esteemed prize, and an ice cream party.

Students have been very creative. Individual prizes will also be given to the best dressed for each day. Although you are encouraged to be creative, please wear only appropriate clothing.

PSO Opportunities

- Dish soap
- Children's Tylenol
- Paper napkins
- Recess monitors

Handbook Corner

We will begin to feature areas of the student handbook in the Town Crier as space allows. This week we will focus on Classroom Rules - Elementary. (See page 24)

It is the student's responsibility to be prepared for classes each day with the necessary materials and completed homework.

Students are to remain in their seats unless given permission by their teacher to get up.

When students wish to speak in class, they must raise their hand and wait until the teacher gives them permission to speak.

Each classroom teacher will have specific classroom rules that will apply to their students.
